§ 13.5

more than \$5 million and with not more than 500 employees.

- (c) For the purpose of determining eligibility, the net worth and number of employees of an applicant is calculated as of the date the proceeding was initiated. The net worth of an applicant is determined by generally accepted accounting principles.
- (d) Whether an applicant who owns an unincorporated business will be considered as an "individual" or a "sole owner of an unincorporated business" will be determined by whether the applicant's participation in the proceeding is related primarily to individual interests or to business interests.
- (e) The employees of an applicant include all those persons regularly providing services for remuneration for the applicant, under the applicant's direction and control. Part-time employees shall be included on a proportional basis.
- (f) The net worth and number of employees of the applicant and all of its affiliates shall be aggregated to determine eligibility. Any individual, corporation or other entity that directly or indirectly controls or owns a majority of the voting shares or other interest of the applicant, or any corporation or other entity of which the applicant directly or indirectly owns or controls a majority of the voting shares or other interest, will be considered an affiliate for purposes of this part, unless the adjudicative officer determines that such treatment would be unjust and contrary to the purposes of the Act in light of the actual relationship between the affiliated entities. In addition, the adjudicative officer may determine that financial relationships of the applicant other than those described in this paragraph constitute special circumstances that would make an award unjust.
- (g) An applicant is not eligible if it appears from the facts and circumstances that it has participated in the proceedings only or primarily on behalf of other persons or entities that are ineligible.

§13.5 Standards for awards.

(a) Awards will not be made for fees and expenses where the Department's position in the proceeding was substantially justified at the time the proceeding was initiated. The fact that a party has prevailed in a proceeding does not create a presumption that the Department's position was not substantially justified. The burden of proof that an award should not be made to an eligible prevailing applicant is on the agency's litigating party, which may avoid an award by showing that its position was reasonable in law and fact.

- (b) When two or more matters are joined together for one hearing, each of which could have been heard separately (without regard to laws or rules fixing a jurisdictional minimum amount for claims), and an applicant has prevailed with respect to one or several of the matters, an eligible applicant may receive an award for expenses associated only with the matters on which it prevailed if the Department's position on those matters was not substantially justified.
- (c) Awards for fees and expenses incurred before the date on which a proceeding was initiated will be made only if the applicant can demonstrate that they were reasonably incurred in preparation for the proceeding.
- (d) Awards will be reduced or denied if the applicant has unduly or unreasonably protracted the proceeding or if other special circumstances make an award unjust.

§13.6 Allowable fees and expenses.

- (a) Awards will be limited to the rates customarily charged by persons engaged in the business of acting as attorneys, agents and expert witnesses. Awards will not be made for more than the applicant's actual expenses. If a party has already received, or is eligible to receive, reimbursement for any expenses under another statutory provision or another program allowing reimbursement, its award under these rules must be reduced by the amount the prevailing party has already received, or is eligible to receive, from the Federal government.
- (b) An award for the fees of an attorney or agent may not exceed \$75.00 per hour, regardless of the actual rate charged by the attorney or agent. An award for the fees of an expert witness

may not exceed the highest rate at which the Department pays expert witnesses, which is \$24.09 per hour, regardless of the actual rates charged by the witness. These limits apply only to fees; an award may include the reasonable expenses of the attorney, agent, or witness as a separate item, if the attorney, agent or witness ordinarily charges separately for such expenses.

- (c) In determining the reasonableness of the fees sought for attorneys, agents or expert witnesses, the adjudicative officer must consider factors bearing on the request, which include, but are not limited to:
- (1) If the attorney, agent or witness is in private practice, his or her customary fee for like services; if the attorney, agent or witness is an employee of the applicant, the fully allocated cost of service:
- (2) The prevailing rate for similar services in the community in which the attorney, agent or witness ordinarily performs services;
- (3) The time actually spent in the representation of the applicant;
- (4) The time reasonably spent in light of the difficulty or complexity of the issues in the proceeding; and
- (5) Such other factors as may bear on the value of the services provided.

§ 13.7 Studies, exhibits, analyses, engineering reports, tests and projects.

The reasonable cost (or the reasonable portion of the cost) for any study, exhibit, analysis, engineering report, test, project or similar matter prepared on behalf of a party may be awarded to the extent that:

- (a) The charge for the service does not exceed the prevailing rate payable for similar services,
- (b) The study or other matter was necessary to the preparation for the administrative proceeding, and
- (c) The study or other matter was prepared for use in connection with the administrative proceeding. No award will be made for a study or other matter which was necessary to satisfy statutory or regulatory requirements, or which would ordinarily be conducted as part of the party's business irrespective of the administrative proceeding.

Subpart B—Information Required from Applicants

§ 13.10 Contents of application.

- (a) Applications for an award of fees and expenses must include:
- (1) The name of the applicant and the identification of the proceeding;
- (2) A declaration that the applicant believes it has prevailed, and an identification of the position of the Department that the applicant alleges was not substantially justified at the time of the initiation of the proceeding;
- (3) Unless the applicant is an individual, a statement of the number of its employees on the date on which the proceeding was initiated, and a brief description of the type and purpose of its organization or business:
- (4) A description of any affiliated individuals or entities, as the term "affiliate" is defined in §13.4(f), or a statement that none exist:
- (5) A statement that the applicant's net worth as of the date on which the proceeding was initiated did not exceed \$1 million (if an individual) or \$5 million (for all other applicants, including their affiliates). However, an applicant may omit this statement if:
- (i) It attaches a copy of a ruling by the Internal Revenue Service that it qualifies as an organization described in section 501(c)(3) of the Internal Revenue Code (26 U.S.C. 501(c)(3)) or, in the case of a tax-exempt organization not required to obtain a ruling from the Internal Revenue Service on its exempt status, a statement that describes the basis for the applicant's belief that it qualified under such section; or
- (ii) It states that it is a cooperative association as defined in section 15(a) of the Agricultural Marketing Act (12 U.S.C. 1141i(a)):
- (6) A statement of the amount of fees and expenses for which an award is sought:
- (7) A declaration that the applicant has not received, has not applied for, and does not intend to apply for reimbursement of the cost of items listed in the Statement of Fees and Expenses under any other program or statute; or if the applicant has received or applied for or will receive or apply for reimbursement of those expenses under another program or statute, a statement
